

LUXURY DESTINATION WEDDING AGENCY

OUR MISSION

We offer full-service wedding planning and design services all over Italy and our goal is to make your dream wedding a reality.

We create bespoke weddings that are exclusive and unique to each couple, ensuring a stress-free and memorable day.

From venue and vendors scouting to design decks, our Team of experienced wedding planners will work with you every step of the way to create an unforgettable wedding experience that perfectly reflects your unique style and personality.

ABOUT US

VB Events was established in 2007 in Florence, Italy and with more than 15+ years of experience, we pride ourselves for the attention to details and full-service assistance, providing expert guidance throughout the whole planning process and bringing the Couple's vision to life.

Valentina, Founder and Owner of VB Events

Valentina has 20 years of experience in the wedding industry, having been the in-house Wedding Planner for two luxury villas before founding VB Events in 2007. Valentina's law degree and completion of advanced courses in wedding planning & events organisation, amplify her exuberance and captive imagination creating projects that make Brides and Grooms dream.

Francesca - Senior Wedding Planner and Designer

With a degree in Interior Design, two years of experience in New York and more than 5 years of wedding planning, Francesca's contributions are always infused with aesthetic finesse and she is passionate about bringing a Couple's vision to life through her design decks.

Martina - Junior Wedding Planner and Digital Marketing Specialist

Her expertise in Marketing & social media, her keen eye for details and creativity imbues any event with tailor-made charm. Her organisational skills and dedication to customer satisfaction will ensure that your event is seamless and your guests have a remarkable experience.
